

# The IEA Hybrid and Electric Vehicle Implementing Agreement (IA HEV)

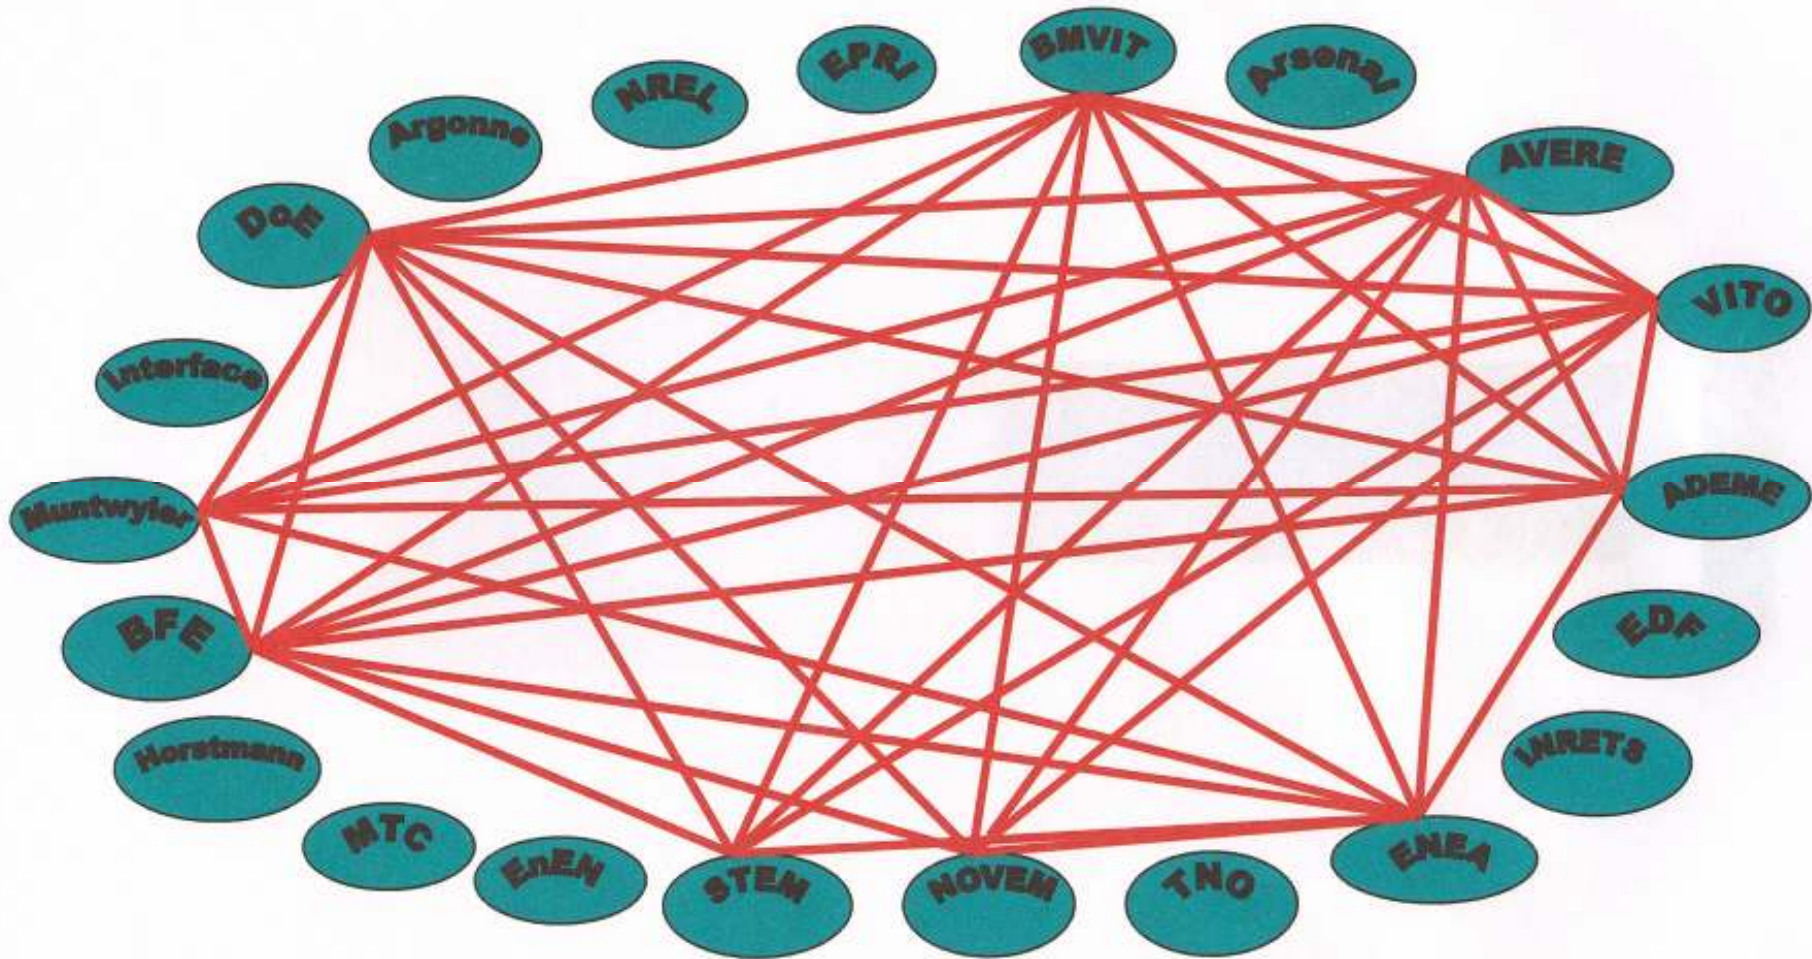

---

- The IEA (International Energy Agency) is a Paris based organisation of 27 Governments interested in energy issues
- The IEA has 42 different technical collaboration-programmes all kind of energy fields, one of them the IA HEV.
- The IA HEV is a working group of 11 governments (Austria, Belgium, Canada, Denmark, France, Italy, Netherlands, Sweden, Switzerland, Turkey, USA) interested in advanced vehicle technologies
- An Executive Committee directs the work of the task forces, plans new initiatives, and disseminates the information produced
- The IA HEV works by setting up task forces (called “Annexes”) on particular hybrid-, fuel cell- and electric vehicle subjects
